ABOUT IPAF FESTIVAL

Created by a collective of artists, IPAF (International Public Art Festival) was born as an international festival of contemporary muralism in 2014 in Holbox Island in Mexico. Our nonprofit organization has successfully produced 150 murals in 7 festivals with great exposure in Mexico, South Africa and France.

For our 8th edition IPAF settles in Fort-de-France for 10 days with 15 local and International artists.
